Dear Mr. Barr:

Enclosed are a biographic sketch and a black and white photograph of Mr. Frank Carlucci for your use in connection with his luncheon appearance before the Princeton Club of Chicago on Friday, September 21. The subject of his speech will be, "Current Problems Facing the Central Intelligence Agency."

For your information, Mr. Carlucci is also the luncheon speaker at the September 20 meeting of the Chicago Committee of the Chicago Council on Foreign Relations.

As soon as his itinerary is finalized, I will let you know whether or not he and Mrs. Carlucci can accept your kind invitation to stay with you. We can then discuss specific arrangements for his appearance.

Sincerely,
